RE: America's Next Generation (Committee Identification Number C00491373)
Amended Year End Report for the period November 27, 2012 through December 31, 2012 filed
April 4, 2013 (FEC-863913)

Dear Mr. Stoetzer:

This letter is sent in response to your request for additional information dated June 4, 2013.

1)As we have disclosed in previous responses, the original disclosures contained on Schedule D, Line 10 - Debts and Obligations Owed by the Committee were based on good faith estimates of uninvoiced amounts owed to the vendor as required under 11 CFR 104.11(b). The decrease arose from an examination of invoices that were created by the vendor and received by the Committee after the filing date of prior reports. Under the Committee's contract with the vendor, the charge for this work was calculated and paid when the invoices were created. Some confusion also arose as a result of the fact that the Pre and Post General reports crossed the closing dates of the monthly vendor reports. In accordance with accrual basis accounting, the Committee has reflected these charges on the correct reports. As a result, the amounts on Schedule D, Line 10 for the Year End Report were decreased.
